OUR MISSION

ased in Northern Illinois, Clearbrook was founded in 1955 and has since evolved into a recognized leader in the field of intellectual/developmental disabilities. Today, Clearbrook creates innovative opportunities for over 7,000+ children and adults with intellectual/developmental disabilities including autism, Down syndrome, and cerebral palsy - as well as their families.

Clearbrook provides personalized children's, adult day, employment, residential and clinical services at more than 50 locations throughout the Chicagoland area. In addition, Clearbrook is the largest provider of home-based services in the state of Illinois. Clearbrook employs more than 900 people and proudly reports that 92 percent of every dollar raised goes directly into programs and services.

By giving to Clearbrook, you're not only supporting a local nonprofit organization whose history spans six decades, you're sharing innovation, opportunity and care with a population that is often times overlooked.

For more information about our work, our clients and our current priorities, please visit www.clearbrook.org.

Clearbrook is committed to being a leader in creating innovative opportunities, services and supports to people with disabilities.

s we look back at the fiscal year, it is clear that we have accomplished much with your support. We opened new residences and developed new programs. The numbers of children and adults we serve continued to grow. Our appreciation goes far beyond our words.

At the same time, the year presented challenges that were unprecedented. The state budget shortfall was even more complicated by the change in leadership in Springfield. While Clearbrook was paid by the state on time, we experienced periods of uncertainty, not the least of which is facing a new fiscal year with no state budget. The statewide implementation of a number of consent decrees benefitted individuals with intellectual/developmental disabilities. The organization ensured that opportunities for choices guaranteed by the decrees were responded to. The Care Campaign, an effort to secure a dollar an hour increase for direct service staff who last received a cost of living increase in 2007, was ongoing.

While these challenges became part of our reality, they did not diminish the resilience of our clients, the commitment of our staff, the involvement of our families, the dedication of our volunteers or the generosity of you, our supporters.

On behalf of all of Clearbrook, thank you for making us stronger during this past year.

Carl M. La Mell
President

Gerald F. Fitzgerald, Jr.
Chairman of the Board

Highlights for Fiscal Year 2015 include

Supporting more than 5,600 children with developmental delays and their families

Providing 500,000-plus hours total of direct services to children and their families

Offering support, including iPad technology, to more than 300 families, parents, staff and service providers from 60 communities through direct services, consultation and outreach of two Family and Community Autism Resource Rooms

Supporting more than 2,200 families per month in Child and Family Connections Program

Serving as largest provider of in-home services in State of Illinois through Home-Based Services Program, supporting 470 children in 14 counties and the City of Chicago

Child and Family Connections

As one of 25 “front doors” to the Illinois Early Intervention System, Clearbrook’s Child and Family Connections (CFC) Program provides intake, assessment, evaluation and service coordination to families in all of the North and Northwest Suburban Cook Counties.

CHILD Therapy

The CHILD (Clearbrook Helps Infants Learn and Develop) Therapy Services offers a family-focused, interdisciplinary approach to assisting families with young children ages birth to three with developmental delays.

Take A Break

Clearbrook’s unique Take A Break Volunteer Program matches the spirit of volunteerism with the needs of families who have young children with developmental delays, giving parents regularly scheduled time away from daily responsibilities in their homes and various center-based locations.

Home-Based

Designed to support children in their family environments, Home-Based Services focuses on goal setting and developing new skills to help them move toward independence.

Highlights for Fiscal Year 2015 include

- Supporting more than 1,300 adults with intellectual/developmental disabilities
- Providing 3.4 million-plus hours total of direct services to adults and their families
- Opening of the PURSUIT Program in collaboration with Northwest Suburban Recreation Association (NWSRA)
- Offering 43 Community Integrated Living Arrangements (CILAs) to now serve 18 communities and the City of Chicago
- Serving as largest provider of in-home services in State of Illinois through Home-Based Services Program, supporting 640 adults in 14 counties and the City of Chicago

Day Services

Full-day programs emphasizing independence, Clearbrook's Developmental Training (DT) Services helps participants acquire new skills and refine existing ones in the areas of daily living, communication, decision-making and socialization.

Clearbrook's Workshop Services helps adults develop their vocational skills, habits and attitudes leading to community job placement. Through a variety of work opportunities, they perform jobs in a workshop setting and are paid as subcontractors based on their individual levels of productivity. Assistance is given, when needed, to help participants with speed and quality.

The Clearbrook Autism Program (CAP) was created to specifically address the needs of adults on the autism spectrum and is offered in two locations: Northbrook and Palatine. Providing a highly structured schedule with opportunities for community-based employment experiences and recreational activities, each client has an individualized schedule and goals with open access to the computer learning center and video learning center.

Using a personal exploration process, CHOICE is based upon the interests of each participant and provides opportunities for employment, volunteering, socializing and leisure activities in partnership with the community. The program site is the hub from which participants access the resources of the community.

An innovative partnership between families and service providers, the PAL (Partners in Adult Learning) Program presents an array of experiences to young adults with intellectual/developmental disabilities and significant physical challenges in the areas of continued learning and community involvement.

Clearbrook's newest day service option is a collaboration with Northwest Suburban Recreation Association (NWSRA). PURSUIT provides opportunities for continued growth for adults with disabilities through recreation and leisure activities.

Community Employment

Clearbrook's Community Employment Services offers support to individuals as they learn basic work behaviors, complete skills training, search for employment, integrate into the workforce, and balance their work and personal lives. Options include: community-based employment skills training, supported employment and independent employment. The program also participates in Project SEARCH, a one year school-to-work transition program that occurs in an employment setting.

Residential

Clearbrook offers Residential Services that range from one-person homes to a 77-bed facility with round-the-clock nursing care. These are not only living arrangements, but homes where services and supports are matched to the residents based upon their choices and individual needs.

Home-Based

Designed to support adults in their family environments, Home-Based Services focuses on goal setting and developing new skills to help them move toward independence.

Clinical

From occupational, physical, and speech and language therapies to behavioral programming, counseling, and medical, psychological and psychiatric consultations, Clearbrook's Clinical Services provides a full complement of therapeutic and professional support to individuals with intellectual/developmental disabilities.

For the year ending June 30, 2014	Unrestricted Operating	Temporarily Restricted	Permanently Restricted	TOTAL

We are proud of our ratios! There are a few generally accepted ratios that are used to evaluate the financial statement of a non-profit organization. According to the standard recommended by the American Institute of Philanthropy, at least 60% of total expenses should be spent on programs and no more than 40% on administration and fundraising. Clearbrook greatly exceeds this recommendation with 92% of every donation going directly to our programs and services.

For the year ending June 30, 2013

Cash Flows from Operating Activities	
Operating Income	625,633
Adjustments to Reconcile Change in Net Assets to	700,218

In recognizing our friends, we have made every effort to provide a complete and accurate list. If there is an error, please call 847.385.5005 and we will publicly thank you in a subsequent issue of our newsletter.

Thank you to all of the donors, sponsors, employment partners and volunteers!

Thanks to the generosity of others, Clearbrook programming and services are offered in more group homes, family homes, day programs and communities statewide, than ever before. There are many ways to support Clearbrook and our clients:

Support Clearbrook with a financial contribution. Unrestricted gifts of any amount are welcome and greatly appreciated. Consider giving online via our safe and secure site: www.clearbrook.org/donate

Become a sponsor of Clearbrook special events, including the Shining Star Ball, First Look for Charity at the Chicago Auto Show, golf outings, client FunFest, food tastings, wine tastings and others! Contact Don Marquis at dmarquis@clearbrook.org to learn more.

Consider a matching gift. Corporate matching gift programs can double your donation and double your impact. Check with your employer for specific matching gift program details.

Volunteer. Time and talent are priceless gifts to Clearbrook. There are many opportunities to get involved – from participating in special events to assisting in direct client care. Our volunteer hotline can be reached at 847.870.7748.

Build a legacy for yourself or a loved one by making a bequest; a gift made by naming Clearbrook in your will. This is both a simple and popular method for remembering Clearbrook in perpetuity. Please contact 847.385.5014 or kmcgraw@clearbrook.org for more details.

Transfer stock. Gifts of stock are easily transferable. Please contact our Business Office at 847.385.5004 for further information on how to arrange a wire transfer.

To learn more about these, or other more personalized giving options, please contact Clearbrook's Communications & Event Planning Department at 847.385.5005 or kdaniels@clearbrook.org.

Thank you!

Generations of Generosity recognizes the kindness and thoughtfulness of individuals who have included us in their wills or estate plans to help ensure Clearbrook's future:
