

A Call to Action . . .

- 70% of individuals with disabilities in Illinois live with a family caregiver
- 23% of those individuals live with a caregiver aged 60+
- Over 9,000 individuals in Illinois are on a waiting list for residential placement
- Illinois ranks 49th in funding residential placement in community settings of 6 or less

Your loved ones deserve...

A home of their own, in the community of their choice, living with people they choose.

Together, we can create new possibilities.

Join us at a Call to Action Meeting to learn more about the Pilot Project to create community-based housing solutions for individuals with disabilities.
