## About Us

Clearbrook is a non-profit organization committed to creating innovative opportunities, services and supports for individuals with disabilities and their families. An extension of that commitment is our new CHOICE\* day service for adults.

With three locations in the suburban Chicago area, CHOICE encourages participants to choose their own areas of interest while utilizing community-based opportunities for employment, volunteering, socializing and leisure activities.

*\*CHOICE is licensed by the IL Dep't. of Human Services*

By empowering participants to become involved in their local communities, they flourish as individuals, business people and neighbors.

## CHOICE

The CHOICE day services model provides participants with the support to discover *who* they are and *what* is meaningful in their lives. Through a personal exploration process and person-centered planning, CHOICE is based upon the interests of each participant and accommodates participants across a variety of disabilities.

Essential to CHOICE day services are the partnerships that provide opportunities for working, volunteering, connecting with and being a part of the community. CHOICE offers options and flexible scheduling to make each participant's experience "their own".
