WHO WE ARE

With a history that spans six decades, Clearbrook is committed to being a leader in creating innovative opportunities, services and supports for people with intellectual/developmental disabilities.

OUR TEAM

900+
employees

WHERE TO FIND US

60 locations
160 communities
15 counties

WHO WE SERVE

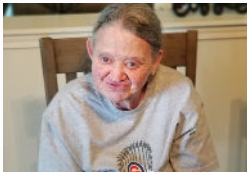

8,000 individuals with intellectual/developmental disabilities, as well as their families. We serve people over a range of ages and disabilities, from children diagnosed with developmental delays at birth, to the unique needs of seniors with disabilities and all ages in between.

ABOUT FUNDING

A majority of our funding, **73%**, comes from the government. If Clearbrook relied solely on government funding, we'd operate on a **\$11,000** daily deficit. That's more than **\$4 million** a year!

17% is received through miscellaneous and service fees.

The remaining **10%** is covered by the generosity of donors, companies, and the community. While it may seem small, that 10% is what allows us to provide the very best for our individuals—all thanks to the generous support of people like **you**. We're proud to report **\$0.92** of every dollar goes directly to our programs and services.
