

# CLEARBROOK

Enrich Lives. Embrace Potential.

*For Individuals with Intellectual and Developmental Disabilities.*

# WHO WE ARE

For individuals with intellectual and development disabilities, Clearbrook leads the way to enrich lives and embrace potential, however that is manifested for each individual.

Clearbrook delivers a broad range of quality services to 8,000+ individuals, covering all ages, issues and levels of severity. With over 900 staff members, Clearbrook has specialists who have expertise across a multitude of practice areas. Clearbrook offers services for every stage in life, from birth to end of life. Today, Clearbrook has 60 locations in 160 communities in 16 counties. Having one of the largest footprints in Northern Illinois makes Clearbrook easy to access.

## Meeting Your Family's Needs: Today and Tomorrow

Come to Clearbrook and find home. Providing individuals and families a sense of belonging and community across the span of life is foundational to what we do. We continually strive to identify new opportunities, drive innovative programming and improve quality of life. Offering multifaceted and customized options, Clearbrook can help you navigate the process and get the help you need.

Our programs and services include home-based, residential, vocational, community day and therapeutic offerings. Comprehensive programming for those with Autism is available for both children and adults. Our programs meet the needs of those we serve: children, adults, seniors and family members.
